SUBJECT: ESTONIA SUPPORTS UN KOSOVO PROPOSALS

Ref: STATE 37835

(SBU) On March 26, we delivered reftel points to Raul Toomas, MFA Western Balkans Desk Officer, and conveyed U.S. support for the recommendations of UN Special Envoy Martti Ahtisaari on the future status of Kosovo. Toomas expressed the GOE's full agreement with the USG's points. He also stressed that the GOE wants Kosovo's final status to have a "European perspective" -- meaning Kosovo, and the region, ought to move in the direction of eventual EU membership. This will require that the U.S., NATO, and EU remain united and engaged, particularly with respect to maintaining an international presence in Kosovo.
